Rally to Save City Services

Tuesday June 2

12:00 – 1:00 PM

City Hall Plaza

Join hundreds of city workers and community members to send a message to the Mayor and City Council that we are united to save quality services and to keep quality employees. Our unions are making major sacrifices to save services and jobs. We reject any attempts by the City to use the deficit to demand takeaways that permanently reduce wages, benefits, or pensions.

Lunch available at 11:30 AM First Christian Church behind City Hall Plaza.
